Checklist

Constellation #3
2021
Glass, aluminum

Constellation #4
2021
Glass, aluminum

Drunk talk: I want to tell you the tale of a cowboy and the whale. One, the object of obsession, the other obsessed. Sign in a window: friend; pause in a doorway, turning away into the ether.

And I only am escaped alone to tell thee
2021
n-butyl methacrylic acid, nhexane, cyclohexane, 1-pentanol, dimethyl ether, xylene

Exhale, draw, inhale, remember, exhale, repeat.

Screen Adaptation
2018
Spandex

better to know where to go and not how than how to go and not where
2019
Light on east wall

Agents of history disembodied wreak havoc.

A Surveillance, an Investigation, a Revenge, a Conspiracy, or a Plot
2021
Multiplex panel, Nelson Bubble Lamp for Hermann Miller, Photographs

Up I-5. Western White House to a Sears home on the groves in under an hour. Grapevine past distribution centers. In the Valley of Hearts Content, the seeds of our silicon dream. Spinning hard drive, sidewinder missile, particle accelerator. Bunkers, greens, behavioral sciences, and Firing Line with William F Buckley. At 24 times a second feet don't touch the ground, levitate through horse power.
